Hello parents and families

Welcome to the 2022 school year. COVID-19 continues to present us with organisational challenges but as always we are implementing all strategies recommended by the department to keep children and staff as safe as possible. For you as parents I understand that the staggered starting and finishing times can be a challenge to manage.

Starting from this Friday, 11 February we will be sending RAT kits home with the students. This is a more convenient way for you to receive your kits. If you do not wish to receive the kits please let us know.

We are using email and text messaging more to communicate with you so please make sure that you have registered your email address with us and that we have your correct phone number.

The kindergarten students have settled in well and the classes are almost finalised. Parents of kindergarten students will receive a separate note.
